(up to deadline of 22 March 2011)**

- Students: \$350
- New graduate (2 years): \$375
- Graduates: \$425

'CSOE are the tools by which we stand or fall as Five Element practitioners. From years of working closely with patients, students & graduates, I have developed a way of sharing CSOE that is fun, simple, achievable and repeatable in the treatment room.'

Venue: Your Prescription for Health, 10210 S. Dolefield Road, Owings Mills, MD 21117

Timing: Registration 9.00am–9.30am. Class 9.30am–5.30pm daily.

CEUs/PDAs: This course is pending approval by the California Acupuncture Board for 18 hours of continuing education in Category 1 (provider #417), and pending 18 PDA points from NCCAOM (provider #807).

CSOE all give the same message and are produced by the directional energetics of each element. As practitioners we need to develop the four examination skills (to see, hear, palpate and inquire) in order to both assess the health or distress of each of the five elements and to evaluate the effects of ongoing treatment. This workshop provides a rare opportunity to compare and contrast a width of CSOE and to receive extensive tutor feedback.

Spend Time with Color: Look at the five colors as they appear in nature. Look at groups of faces for each color (noting the similarities and differences).

Spend Time with Sound: Move to the energetic rhythms of the Five Elements! Listen to recorded and live voices to bring out the five sounds (with thanks to Dylan Thomas, T.S. Eliot, the Tao of Pooh and Te of Piglet). Learn how to work with your own voice to convey the five sounds to patients.

Spend Time with Odor: Sniffing high and low in specially created tents, experiencing and recognising the environment of the odors.

Spend Time with Emotion: Create the five wills of life (emotions) inside yourself in a safe environment. Learn easily to invite your patients into each emotional atmosphere, to enhance your diagnosis and your subsequent interactions with patients.

Registration requires payment in full prior to 8 Feb (to obtain discount) or before the deadline of 22 March 2011. Please send a cheque, made payable to TendingShen Corporation, to Julie Lawson (Registrar) at 187 Hodge Avenue, Buffalo, NY 14222. You may be able to register after the four weeks advance deadline (22 March) up to the first day of the workshop (space permitting), but you will then be charged a **late registration fee** of \$50 on top of the advertised cost. For further information please telephone Julie on 905-894-1323 or email jl@ongjaracollege.ca

Cancellation/Refund Policy: Cancellations made up to 22 March 2011 will result in a full refund less a \$50 processing fee. No refunds are made for cancellations after 22 March. TendingShen requires four weeks advanced registration to allow for cancellation of an under-booked workshop, with full refund to you.

Come and experience the five elements in action!
